

## Connect Flask to MongoDB

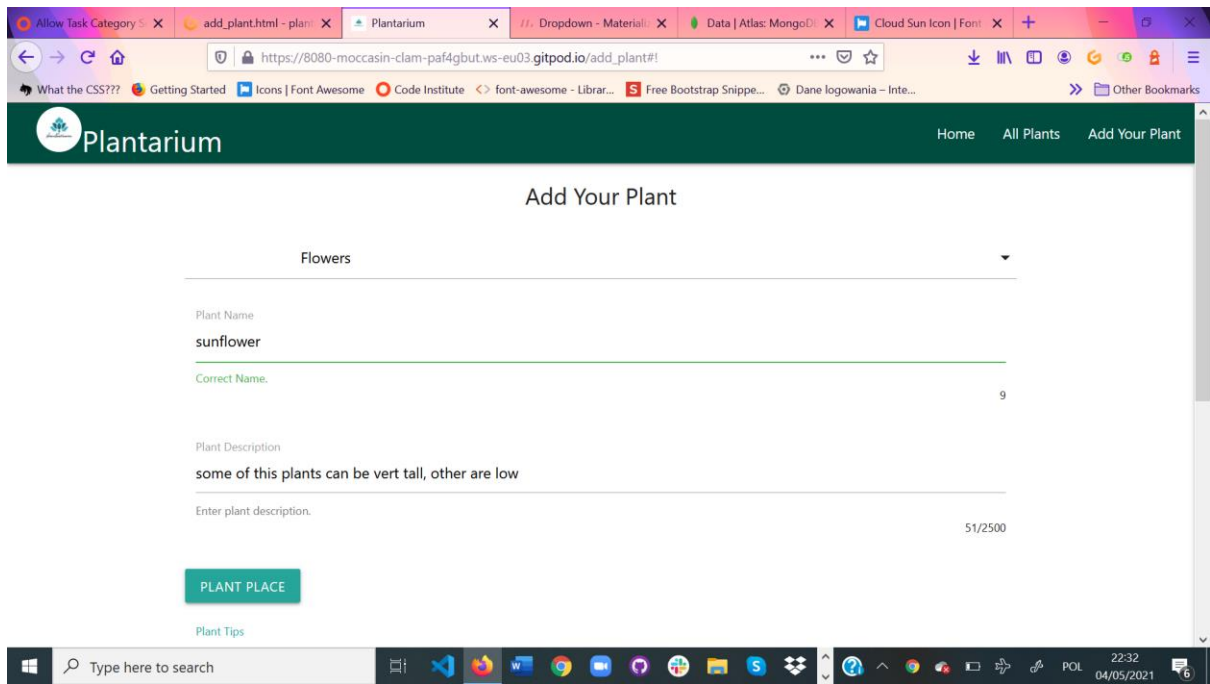

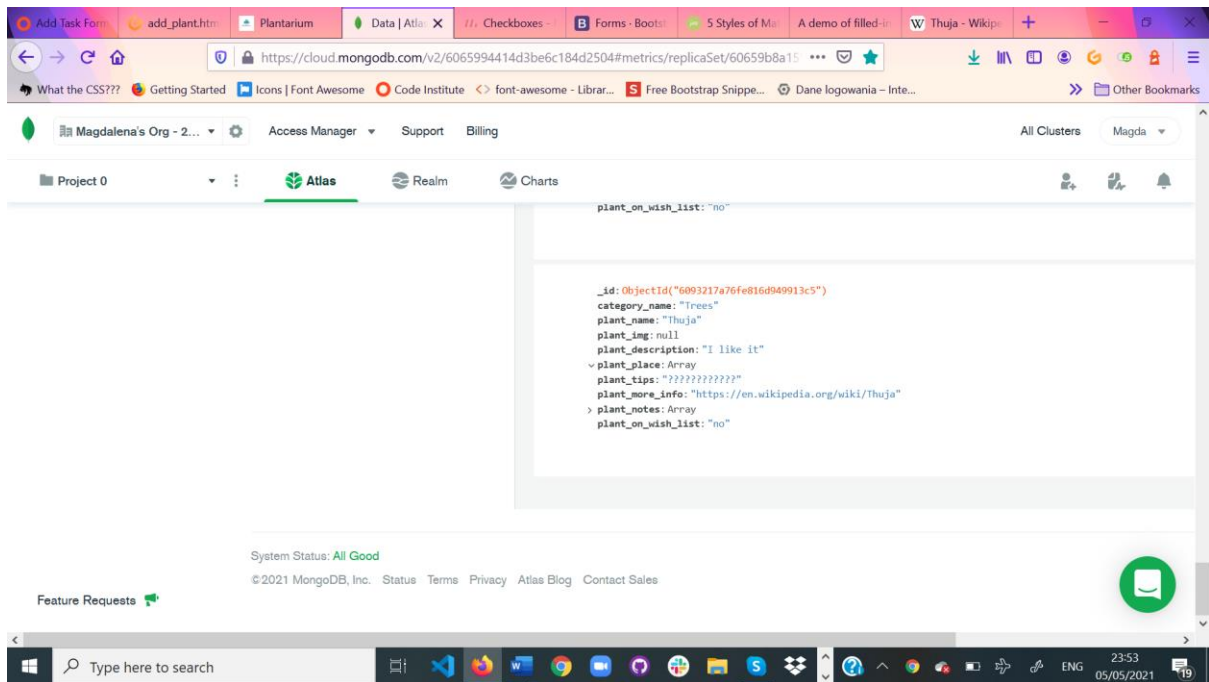

## Check the base.html is correct

My base section does not have sticky footer and navbar

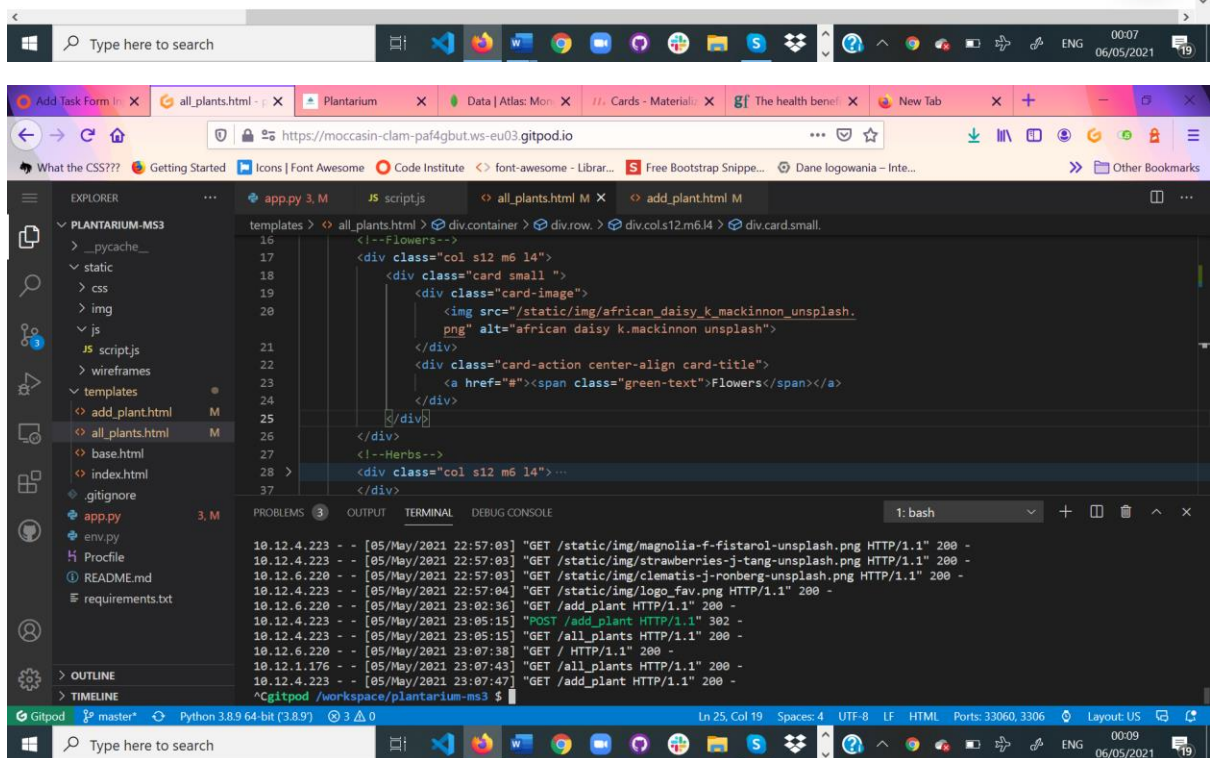

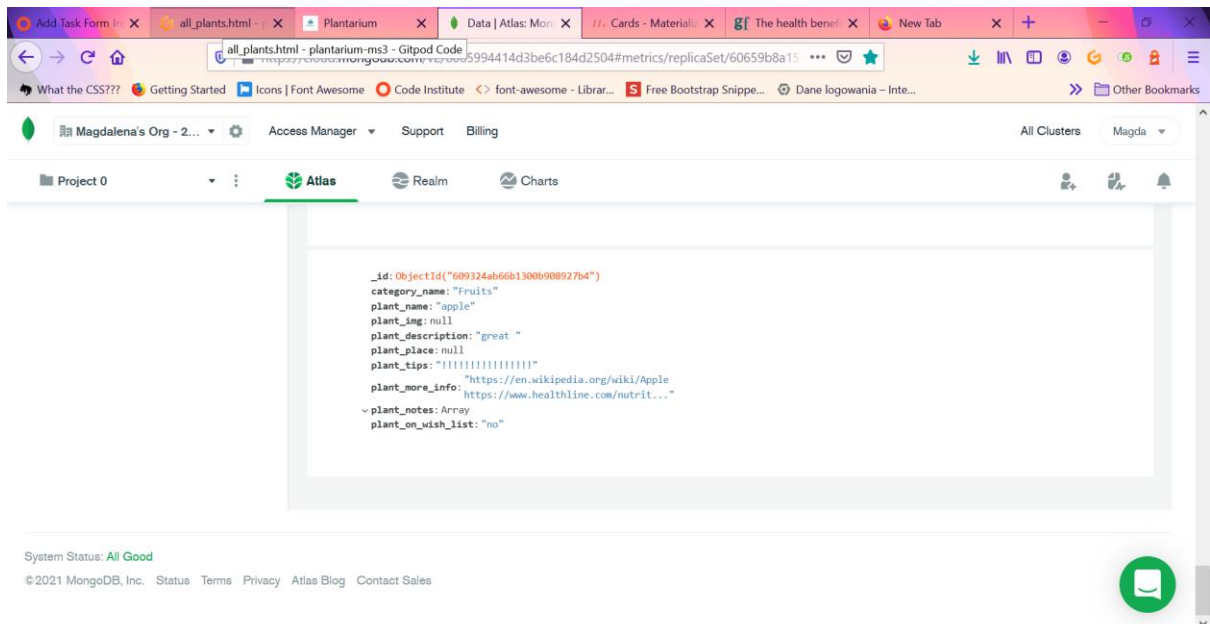

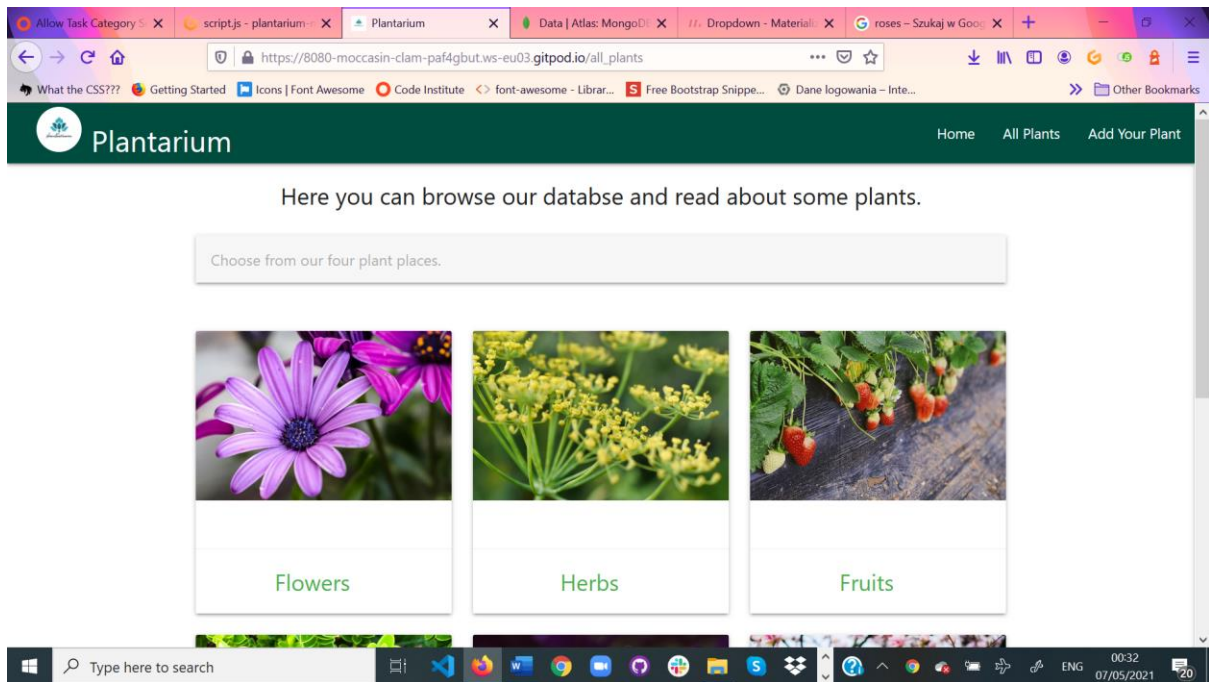

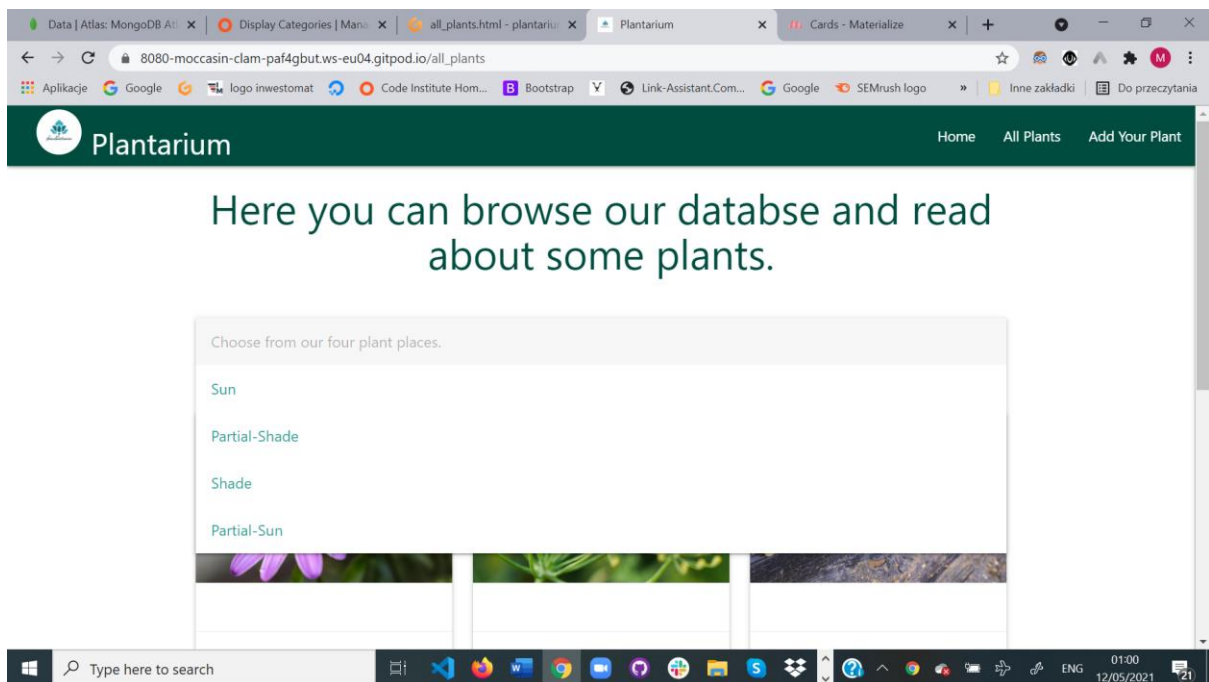

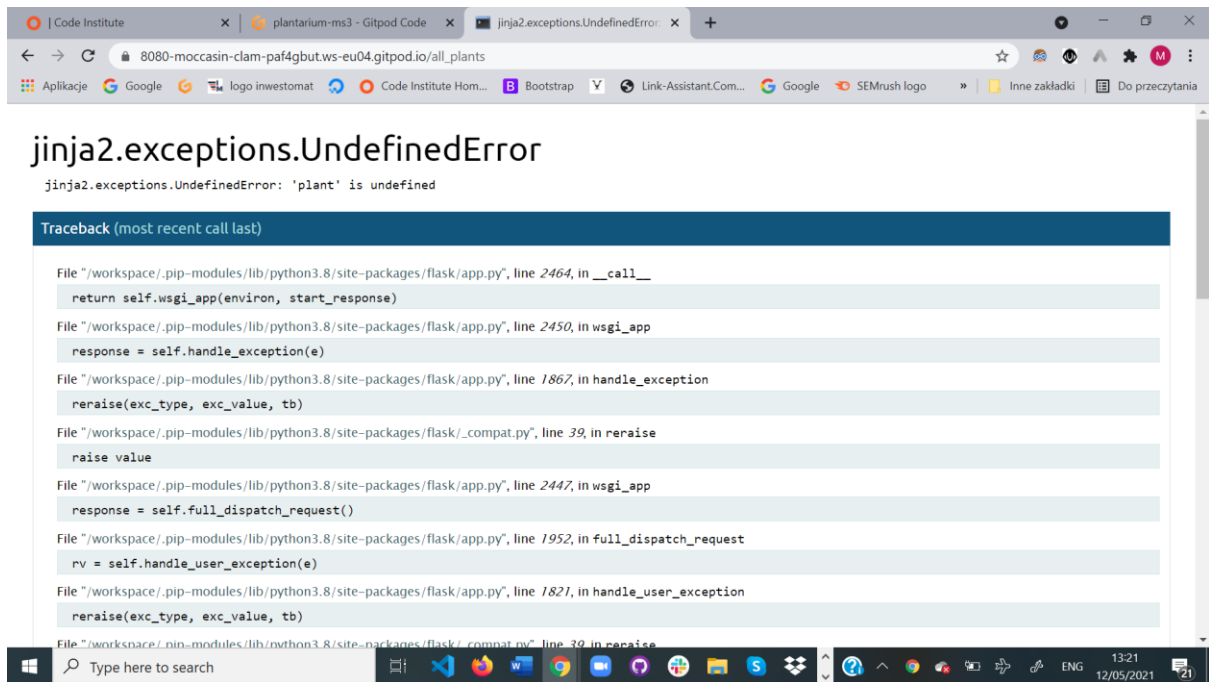

Plant is added but the field with plant place isn't filled properly (I have an empty field)

# Add Your Plant

Choose Plant Category

Plant Image

Please enter valid link to plant image.

Plant Name

Enter plant name between 3 and 60 characters

Do you want to add plant to wish list?

Progressive Web App

These checks validate the aspects of a Progressive Web App. [Learn more.](#)

- Installable**
  - Web app manifest or service worker do not meet the installability requirements — 1 reason
- PWA Optimized**
  - Does not register a service worker that controls page and `start_url`  
The service worker is the technology that enables your app to use many Progressive Web App features, such as offline, add to homescreen, and push notifications. [Learn more.](#)
  - Redirects HTTP traffic to HTTPS
  - Is not configured for a custom splash screen **Failures: No manifest was fetched.**  
A themed splash screen ensures a high-quality experience when users launch your app from their homescreens. [Learn](#)
